# SHIELDED AVENGER

**the path of a loner leads a young woman to reluctant heroism**

**This is a handy little face, with strength, stamina and staying power. Even the lowercase has class, appearing sometimes stronger than its uppercase brethren. It may remind you of a face you've used sometime before, or something you've skimmed past in an old comic book.**

CAPTAIN

NARROW

**captain narrow has a unique take on lowercase characters. they are the same height & weight as the uppercase characters. by mixing caps and lowers, you can achieve a variety of results.**

# AMERICAN PATRIOT

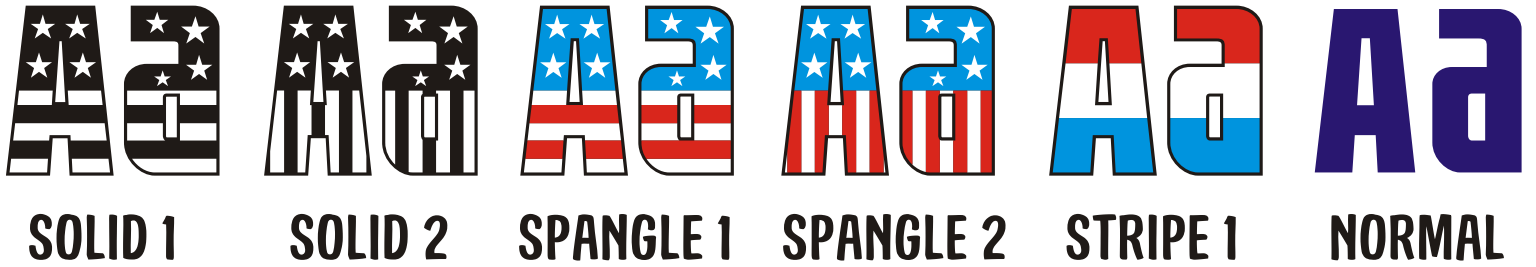

**Do you recognize this face? It's the face that fought evil in the 1940s. It's the face that united a country. It's the face that proved one man can become more than a symbol. He can become an American Patriot.**
